## Meet James

Profile Updated September 2, 2006

**James is a 14-year-old African American male who would really like to be adopted into a loving family.**

**He does not make friends easily and prefers to play video games quietly by himself rather than participate in organized sports. James will, however, participate if it is required or asked of him.**

**James says that the best time at school is "lunch time." He has a hearty appetite and enjoys snacks between meals. James will tell you, "Anything chocolate is good."**

**James has a difficult time with academics. He has an Individualized Education Plan and requires assistance with learning. He is schooled in a self-contained classroom setting.**

**James is a very neat person, both in appearance and with his belongings. He has mastered the art of ironing and his clothes are wrinkle free with crisp crease lines. His room is normally very tidy with everything in its proper place.**

**James is legally free for adoption. If you have an interest, or would like more information on James, this delightful teen, please contact Amy Holtgreve-Newell at 314-754-2768 or 866-326-LFCS. You may also send an e-mail to [Amyh@lfcs.org](mailto:Amyh@lfcs.org).**
