

Meet Per'Deshia

Meet Per'Deshia

DOB: 6/1993

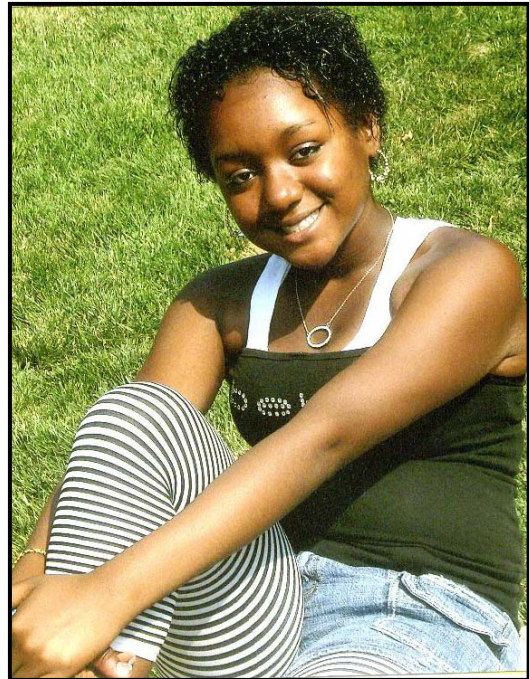

Per'Deshia has been described as a "bubbly, outgoing teenage." She is a happy young lady who laughs easily and can be playful. Per'Deshia can be quite a jokester. She enjoys practical jokes, whether giving or receiving them.

Per'Deshia is on no medication and has a strong average I.Q. Her talent for writing recently won her an award for a school composition. Her foster mother indicates that Per'Deshia's poetry is "amazing!" Per'Deshia has been known to use her talented imagination to embellish on her life's stories in an attempt to impress others and gain attention. Like many children in care, Per'Deshia has learned fantasy can be better than reality.

Per'Deshia generally listens and does well with authority figures in the home, but she does tend to have trouble when corrected by teachers at school. This year she has set personal goals which are, "to put my best foot forward, maintain a good attitude, and achieve no school suspensions." Per'Deshia is looking forward to becoming involved in extracurricular activities for the first time—perhaps joining the volleyball team.

Per'Deshia loves the water. One of her favorite summer activities is swimming. Her foster mother has indicated that Per'Deshia swims like a fish, but can't tread water at all—a skill Per'Deshia admits it would be useful to learn. Per'Deshia attended summer camp for the first time last year and had great fun.

Per'Deshia is good with, dogs, cats, and children. She is not a picky eater and will try almost any food. She does tend to have a bit of a sweet tooth. Per'Deshia is trying to control her appetite however, as she recently lost weight, wants to keep it off, or possibly loose more.

Per'Deshia remains optimistic about her future and wants very much to be part of an active "forever family." She would like a parent(s) who could participate in and be supportive of her activities. Per'Deshia has a strong spiritual faith and would benefit from a family of that could provide strong core values.

Per'Deshia would succeed in either a single or a two parent household that could provide stability, love, guidance, and offer her the experiences and opportunities she deserves.

Termination of parental rights has occurred. Per'Deshia is legally free for adoption. If you have an interest in, or would like more information about this delightful teen, please contact Von Hulin at 314-787-5100 or toll free at 1-866-326-LFCS. You may also send an e-mail to VOnH@lfcs.org.
