

Meet Michael

DOB: JUNE, 1997

Tall for his age, handsome, nine-year old Michael tends to be somewhat bashful and mannerly with new acquaintances; however, once a bond is formed, his captivating and mischievous personality comes out and it is a "forever" relationship. Indoors, he enjoys playing video games and watching sports or Yugi-Oh cartoons on television, while outdoors, a trip to the park is always welcome, and he loves riding his scooter and playing football.

A two-parent family is desired for this child. He has not had a male role-model in his life and would really benefit from having a strong father figure would be ideal for Michael, who requires consistent, firm structure to do his best. It would also be important for him to be either an only child or that any other children be older than he. Michael is legally free for adoption. For more information on Michael, please contact Amy at (314) 787-5100.

The purpose of the information provided below is to briefly introduce you to the child for whom our agency is recruiting an adoptive placement.
