

Honor a Mother in Your Life

LFC& Sunday May 12, 2019

United in faith we join together to celebrate mothers

A Special Prayer for Mothers, Children, and Families Served by LFC&

On this day, we pray for the women in our community who serve as mothers to the children around them. May their hearts be full of grace, love, strength, patience, wisdom and joy. We honor all the mother figures in our lives: grandmothers, aunts, sisters, wives, step-mothers, foster mothers, adoptive moms, teachers, neighbors, and friends. Lord, thank you for these women who provide the love that fills our heart with warmth and the care that makes us feel protected.

We pray for the children who do not know the safety and security of a mother's unconditional love. We pray for those facing poverty, abuse, or neglect which break apart loving family bonds. We pray for mothers facing life's hardships as they strive to shape and inspire the youngest generation. Through your love, bless Lutheran Family and Children's Services on its mission to empower these mothers, children, and families today so they can build a better tomorrow.
