

Christopher & Leslie

Thank you for taking the time to get to know us. We're excited for you to learn more about us and are thrilled to become adoptive parents. We admire your compassion for your child and your courage to consider adoption. We cannot begin to imagine the emotions you're feeling during this time and we hope that you have the support you need as you plan the future for you and your child.

We have always known we wanted children and after dealing with infertility, we began to pursue adoption. Our promise to you is that we will provide your child with a loving, nurturing, fun family and life. We look forward to getting to know more about you as you learn about us.

Love,

Christopher and Leslie

Our Promise to You

Our promise to you is that your child will be loved and cherished. Our home will be a safe place to grow up; full of opportunity and encouragement. We promise to support them as they grow and to be supportive of who and what they become. We promise to never try to alter the path that God created, recognize their natural gifts, and nurture them in development of their unique talents. We are open to sharing photos, sending letters, and planned visits, if you wish.

We are looking forward to building a relationship through open adoption, if desired. We are more than ready to be first-time parents and our hearts look forward to loving your child.

Our home is located a block from our neighborhood park that has a walking path. We visit the park often with our family and dog. We are outside often on our back deck for grilling, outdoor games and fire pits.

Willow is very people-oriented and, as an added bonus, happens to be the cutest dog in southwest Missouri. She is a three-year old poodle mix who loves long walks on the sidewalk, chasing squirrels in her yard and Beggin' Strips.

Piper is very Piper-oriented and enjoys spending her days outside. When she is inside, she likes to cuddle on with us on the couch. She is a four year old calico who enjoys hunting for birds, rabbits and mice in the yard.

Thank You!
