

Jared & Jane

Dear Birth Parent(s),

We have yet to meet, but you are already the bravest person we know. Deciding to give birth to your child and making an adoption plan are difficult decisions and we want you to know that we pray for you daily.

We plan to be very open with our child regarding their adoption story from the day they are born. They will know of your heroic decision that was made with so much love!

Please know that no matter what you choose, we wish you, your child, and your families all the best.

We are Jared and Jane and we thank you for taking time to learn about our family.

Love, Jared and Jane

Why we chose Adoption

We met in college, Jane always had a big crush on the tall, blonde basketball player! We dated for a few years and then married in 2011.

We are a fun loving, active couple who laugh as often as possible! Jesus has been the center of our marriage from day one.

We decided to adopt because we want to be parents! We want to share our lives with a child and any biological family that are willing. We want to show the love that has been shown to us - "God decided to adopt us into his own family by bringing us to himself through Jesus Christ" Ephesians 1:5

We own a 1.5 story, 3 bedroom home in a diverse neighborhood. We live close to our church which we attend every Sunday and host a Bible Study every Thursday. We are both passionate, Bible believing Baptists. We will seek to instill values such as generosity, courage and love into our child!

Chance and Tucker are both small terriers we have had for about 8 years. We adopted Daisy from the shelter about 5 years ago.

They are all very sweet animals that our nieces and nephew love to play with!

Thank You!
