

NATE *and* BECCA

Dear Expectant Parent,

Thank you so much for taking the time to get to know us, and for taking the steps to consider adoption. We want you to know that we are already praying for you and your baby, and that God will fill you with peace throughout your decision making process. You are incredibly brave and selfless. We hope to get the opportunity to meet you and tell you how much we truly appreciate your consideration.

Love,
Nate & Becca

About Us

We met in college and immediately fell in love with each other. We began to plan our future together and we both knew we wanted to get married and have a big family. We continue to have a strong relationship and face everything in life as a team. We love to travel and experience new things. We prefer warm weather and beach vacations, but we are always up for an adventure!
