## **DEAR EXPECTANT PARENT,**

We want to thank you from the bottom of our hearts for taking the time to get to know us! We understand that this decision may be incredibly difficult, but it is also the most selfless and brave decision you could make for your child. We want you to know how much we respect and appreciate the amount of courage that has gone into making your decision. This respect for you as the birth parent will be shown shared with our adopted child.

We always knew we wanted to be parents, and after several years of trying with the help of fertility specialists and no luck, we decided adoption is what we were called to do. We could not be more thrilled for the opportunity to grow our family and share our life with our future child. We will raise our child up, giving him or her as many opportunities as possible. We will have many adventures in travel or just in the backyard. We will cookout during the warm months, spend holidays with our families, and build forts out of blankets in the living room. But even more than that we will teach our child the skills to survive in this world, and we will strive to raise our son or daughter up to be a man or woman you will be proud of!

# ABOUT US

We met in August of 2013 and quickly became friends. Not too long after that we started dating. We dated for about a year when Garrett proposed in July of 2014. We were so excited to start our lives together we married in April of 2015 at Stormy's aunts family farm. We have now been married for 8 years and have loved every minute of it. It's truly something special when you are best friends as well as husband and wife. We love being outdoors: camping, fishing, hunting, riding four-wheelers, and having fun with family.

## OUR HOME

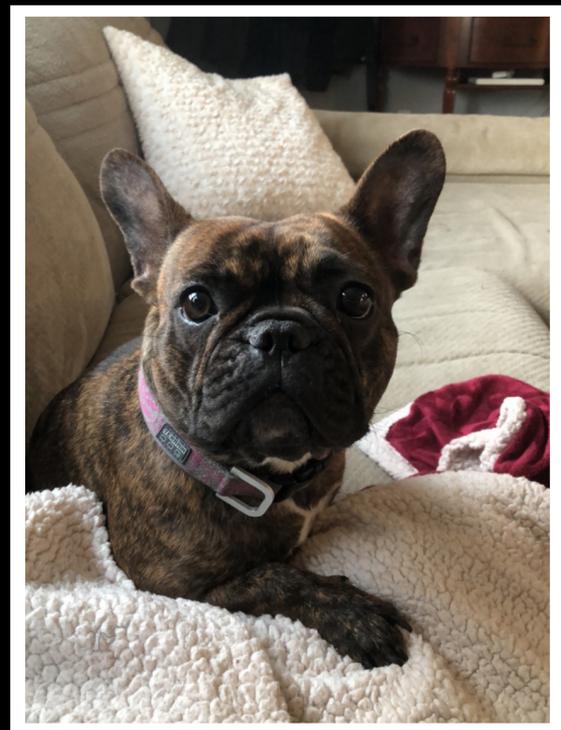

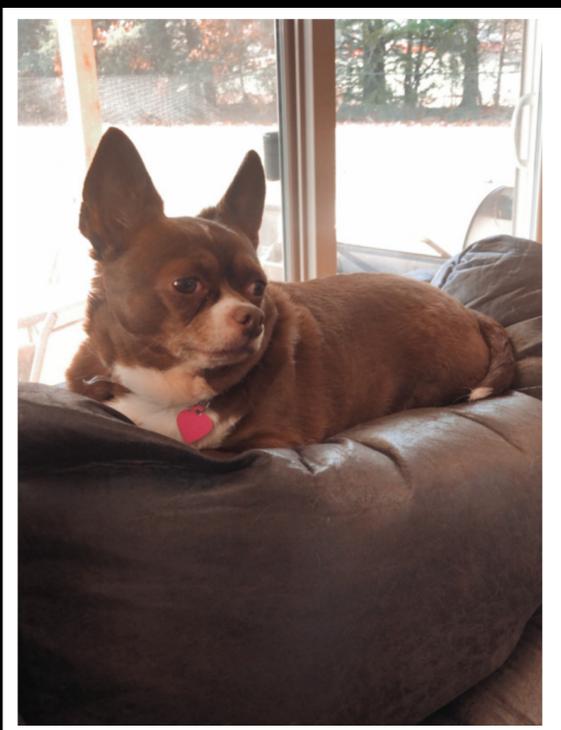

We love our home, we live in a small community but are only 20 minutes away from a much larger town. We live in a 3 bedroom two bath home, single level. We have a huge yard to build snowmen on winter days, or play in the sprinkler on those summer afternoons. There are tons of children in the neighborhood, so there is never a dull moment. Trick or treating is a neighborhood favorite. Stormy loves to decorate for each holiday to really bring in the spirit of the season.

We have quite the crew! Chamber is a French Bulldog, Roxy is a Chihuahua, and Bella is an English Bulldog. They love attention and playing with one another. They especially love car rides. All three are fully vaccinated and big time lovers.
