Our Story

Our names are Rebekah and Andrew. We have been married for 10 years and are the parents of three fun, loving, and beautiful children: Isaac, Evangeline, and Mariana.

We are natives of Louisiana, which means that the only thing we love more than good food and a good time is God, our family, and our friends.

Our children have made us realize that love is not limited, it is infinite. This realization has us desiring to continue to grow our family. But because of a medical condition, pregnancies are very hard on Rebekah.

After much prayer and discernment, we have taken this as a calling that we are meant to share the love of our family with others through an adoption.

Isaac

Isaac is fun loving and enthusiastic about life. He is very artsy and loves making "inventions". He loves playing with his hot wheel track and marble run. He also cooks the perfect scrambled eggs! His love language is quality time.

Evie

Although her name is really Evangeline, she loves to be called Evie instead. Evie is gentle and sweet-natured. She loves taking care of her baby doll and playing dress up. Her love languages are words of affirmation and gift giving. She is always finding little "treasures" to give to those she loves.

Mariana

Mariana is happy and boisterous. She also loves taking care of her baby doll and loves all of her stuffed animals, which are mostly all dogs. She also loves reading, especially Go-Dog-Go! Mariana's love language is physical affection.

Our Home 

Our home is a 3 bedroom, 1.5 bathroom ranch style home. It is situated on a 1/3 acre corner lot with a fenced-in back yard complete with a large playset and a vegetable garden.

Thank you!

.....

From our family to you, we want to thank you for taking the time to get to know us through our profile. Regardless of if we ever meet, we want you to know that we are wishing only the best for you and your child and that you will be in our thoughts and prayers!
