

CHRISTIAN AND BRIDGET

We want to start off by saying thank you for your love and commitment to your child. We know the decision before you is difficult, and one we will never experience ourselves. We are empathetic to what you are and have been going through and will never fully understand your situation, but we want you to know that we are grateful for you.

We both grew up with large families, and have always wanted to grow our own family. We look forward to the opportunity to engage in traditions around the holidays and celebrate milestones with our child. We will support our child physically, emotionally, mentally, and financially. Our hope is they will have an amazing life full of so much love and support. They will always know how much we love them, and we will show this every single day of their life.

Sincerely,
Christian and Bridget

hello

OUR STORY

Christian is quiet, caring, and gentle. Bridget is outgoing, affectionate, and loving.

Christian loves to hunt. He travels to Canada each year with a group of friends to hunt ducks and geese. Bridget loves to read. Her favorite author is James Patterson. She also enjoys true crime books and tv shows. We both love to travel and explore new places and try new restaurants. We also love hanging with friends and spending time with family.

Christian is a full-time Truck Driver with a local company. Bridget is a Senior Sales Manager with a global bus company.

We have been married for 5 years.

OUR HOME

We live in a 4-bedroom brick home in the suburbs. Our home has many charming finishes that make it unique!

We are close to parks, restaurants, and have good schools in our community. Our neighborhood is very friendly and many families who live nearby take walks or ride their bikes on the sidewalks.

We have quick access to shopping, recreational facilities, hospitals and clinics.

HOME

OUR PETS

Jade is a 16-year-old Cairn Terrier. She is very laid-back and calm.

Chase is a 7-year-old Chocolate Lab. He wants all the attention and loves to snuggle.

OUR PARENTING PLAN

We plan to parent with attachment in mind. We want our future child to trust that we love them and will always be there for them. We feel it is important to have a nurturing relationship with our child, and want them to know they have a safe space and can always come to us with their concerns.

We also intend to communicate clearly and honestly with our child. We want to have an open dialogue so our child feels as though they can tell us their thoughts and feelings without worrying they may be judged.

Instead of using discipline as punishment, we plan on using it as a way of support and understanding. Such as "time-in" as opposed to "time-out". We want to pull our child in and have good eye contact so we can be on their level and ensure they feel heard.

We feel that education is extremely important. We will ensure they have the opportunity to attend a good school and will encourage them to go to college. We want them to be able to reach for their own goals and find a career that makes them feel fulfilled.

OUR HISTORY WITH ADOPTION

We have both had family members who were adopted.

We feel that the knowledge and encouragement that has been passed down to us will assist us with navigating this journey. We understand that there will be difficulties, but we are ready and willing to do whatever is necessary to ensure the safety and love of our child.

VIEWS ON OPEN ADOPTION

We hope to be able to have an open relationship with our child's birth family and want to be able to share photos, communications, and visits with them. We will make sure our child knows that their Birth Parents love and care for them and their well-being. We are grateful for our child's Birth Parents and want our child to grow up knowing they have others in their life that care for and love them unconditionally.

THANK YOU!

We appreciate you taking
the time to look at our
album!

Christian and Bridget
