

# Brian & Karli

Dear Expectant or Birth Parent,

We are so thankful you are taking the time to look at our profile. We understand this is an overwhelming time, and we pray that our album can bring you some peace and comfort.

We are Brian and Karli, and we have been married since 2014. We also knew from the beginning that we wanted to start a family and that adoption would be part of our story! After much prayer, we know the time is right to welcome and raise a child. We are so excited to see how God continues to lead us!

We look forward to meeting you and learning more about you! You are already so special to us and we cannot wait to possibly start this journey with you.

Love,

Brian and Karli

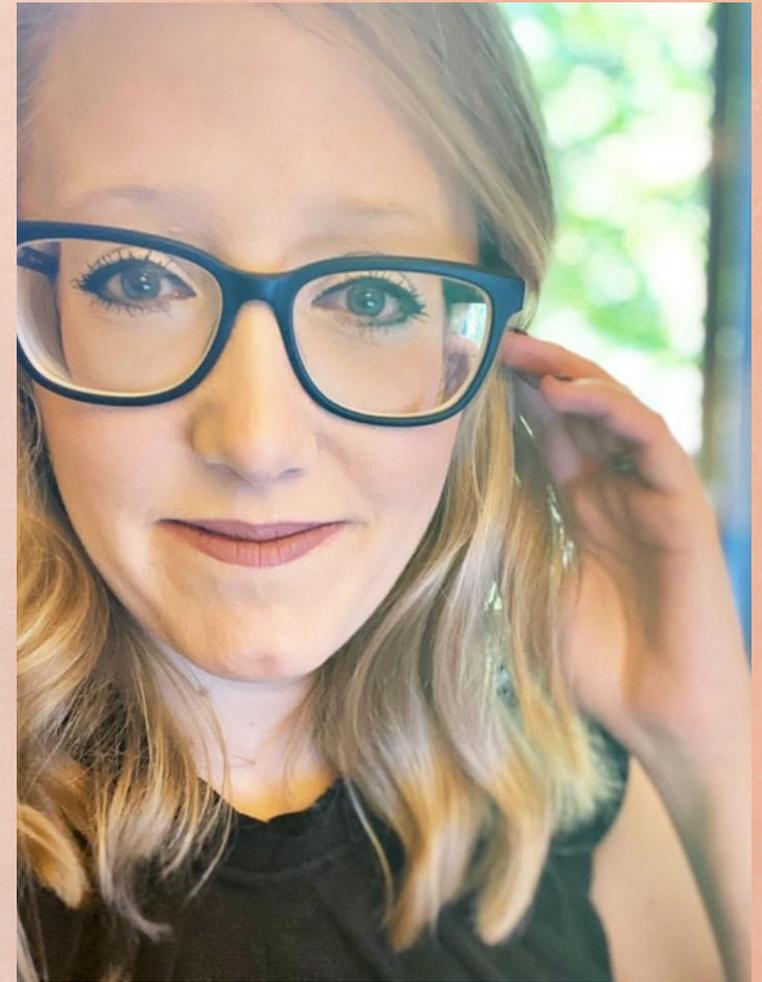

## Brian

Meet Brian! He loves music, playing the guitar (acoustic and bass) and teaching the Bible. Brian is kind, funny and loving to everyone he meets. He works as a chaplain in a men's discipleship and recovery program. He works closely with men coming from a life of poverty, addiction, homelessness and/or incarceration and teaches them tools to rebuild their lives.

# Karli

Meet Karli! She loves singing, teaching and discipling others in Jesus. Karli is caring, funny and supportive. She is a paralegal at a patent law firm, and has been with the firm for over 15 years. She is able to work from home which she loves.

# Our Life Together

Brian and Karli love to be together! Whether it's trips in the RV across the states, traveling to the east coast for a weekend getaway or celebrating special occasions with family - we love to do it together! We cannot wait to welcome a child into our fun and adventures!

## Reason for adopting

We believe it is an honor to be pursuing adoption in order to grow our family. We knew from the beginning of our relationship that we would build our family through adoption as we are unable to biologically have children. Adoption has always been the plan and we couldn't be happier to be walking through the process that could possibly connect us with you!

## Philosophy of Openness

Openness is something that we look forward to navigating with you! We are eager to possibly get to know you more and determine what works best for the child, for you and for us! As for the child, we plan to share the adoption story and about the birth family as they grow. We want to be sure they know all about who they are!

# Our Home

We have a 3 bedroom, 2 bathroom ranch-style home. Our home is located in small neighborhood on a quiet cul-de-sac. We have a special room picked out for when baby arrives so he or she will feel right at home. We have a spacious, fenced-in backyard with plenty of room for playing and activities! There is also a school nearby, along with a big park and playground that is sure to bring many hours of laughter and fun!

# Furry Friends

We have 2 fur babies named Charles and Oscar! They are four years old and were adopted together in 2020. They are so silly and make us laugh all the time. They are also very sweet and love snuggling - with us and with each other.

# Thank you!

Thank you for taking the time to look through our profile and learning a little about us. We look forward to hopefully meeting you and learning more about you too!
