

Kyle and Loren

Hello!

Thank you for taking the time to get to know us.

We have been together for 10 years and married for 4 and have dreamed of becoming parents. We are unable to grow our family through pregnancy, but we are excited to expand our family with adoption! Adoption has always been part of our lives through Kyle's mom who was adopted as a baby.

We have so much love to give and promise to give a child all the opportunities possible. We value an open adoption and hope to develop a relationship with you, to the level you are comfortable with.

About Us

- We met at Missouri State University
 - Loren's roommate went to high school with Kyle and introduced us.
- We bonded over our love of the same music (Blink-182), humor (The Office), and hobbies (volleyball and board games).
- We are major dog people and have two rescue dogs - Phillip and Lula

Our Fur-Babies

Lula is 7 years old and came to us from a rescue. She is spunky and loves chasing her ball and being your shadow.

Phillip is 8 years old from the Humane Society. He's the biggest teddy bear and could spend an entire day just laying in your lap.

Thank you for taking the time to get to know us!

We wish you love and peace in whatever decision
you make! - Loren & Kyle
